MOUNT VERNON NEWS

Well, I guess everyone is enjoying this fine weather, and farming right along.

Misses Mary Lou and Willie Ruth Marshall spent Saturday night with Misses Essie Rose and Sherry Worley.

Mr. and Mrs. Clifford Eggers and family visited Mr. and Mrs. Eugene Hughes Sunday.

Among those who visited Mr. and Mrs. Arthur Price Sunday were Mr. and Mrs. Mathie Price, children, Mr. and Mrs. Bud Williams and children, Mr. and Mrs. Wiley Prigden, Mr. and Mrs. Clifford Eggers, Mr. and Mrs. Eugene Hughes and children.

Mr. Arthur Price has returned to his home after spending several days in an Enterprise hospital, where he underwent a serious operation. We all wish him a speedy recovery.

Everybody came out to church next Sunday. There will be an all-day-to-day. Don't know just what all, but the most important thing is dinner, so everybody come that can.

I must close, with best wishes to all—Contributed.

Woodland Grove News

I think the communities around here have let us down on our singings, but we're going to keep trying and praying and maybe we'll succeed in the end. But we're blessed with the Sunday School. We had several new ones last Sunday, and hope they continue.

Mr. and Mrs. Dudley Littleton had as their guests Sunday, Hobson and Rudolph Green, Mack, Bud, Lamar and Emma Jean Daniels, Lee Early Barker, Malcom, Gloster, Opal Sue and Betty Lou Plant, Abbie and Emma Lee Walker, Evelyn White, Vera Annette Ramsey, Edna Marie and Fred Kimble, Brooks and Doris Harris.

Mr. and Mrs. Grady Reeves and daughter spent Friday night with Mr. and Mrs. J. S. Daniels.

Mr. and Mrs. Eugene Plant and children, Mr. and Mrs. J. C. Pope and children, Mrs. Rufus Pope and daughter, Mrs. Clyde Maddox and children, Mr. and Mrs. Jessie T. Brooks and children were guests of Mr. and Mrs. Milford Pope Sunday.

Miss Evelyn White spent the week-end with Doris Harris.

Mrs. Jake Walker and daughter, Audine, and Mrs. Leon Walker and son, Joe Austin, spent part of last week with relatives in Low.

Mr. and Mrs. Fletcher Willis and children spent Sunday with Mr. and Mrs. L. D. Hughes and son.

Messrs. Carlton and Shoatsville Nolin spent Sunday with James Nolin.

Mrs. Lillian Davis spent Saturday night with Glennie Nolin.

Mrs. Mary Maddox spent part of the week-end with her mother.

SORGHUM FOR SILAGE

Farmers in this county who have three cows or more should plant an acreage in sorghum for silage. We give you below some experiment station recommendations relative to this crop.

1. Estimate the yield per acre. On fall land, yield of 10 tons or more per acre may be expected. On well manured or fertilized land, much higher yields may be made.

2. Figure three tons of silage per cow—this is to be supplemented with 100 to 150 pounds of cottonseed meal or peanut meal.

3. Silage has many advantages. Some of these are as follows:

1. More feed can be stored in a given space as silage than in the form of hay. No additional barns are needed. It is also for storing silage can be made at low cost.

2. Crops can be put in silo during weather when hay cannot be cured.

3. Silage is cheapest form of succulent feed for winter.

4. Silage can be used to supplement pastures when pastures are poor because of drought.

5. Land—Select the most fertile piece of moist land available and use all possible stable manure on it.

6. Preparation—Prepare land well—about as for cotton or corn.

7. Date.—Sorghum in a very early date.

8. Variety.—Texas Seeded Ribbon or other large growing variety.

9. Fertilizer.—Use 200 pounds of the duty of 6-8-4 under sorghum at planting and side-dress as soon as plants begin to grow with 200 pounds of nitrate of soda per acre. Apply before planting all stable manure possible. It is very desirable to plant the sorghum on land where a good crop of winter legumes has been turned.

10. More winter feed per acre can be produced for cattle in Alabama with sorghum silage than with any other crop.

11. Good evening, folks, and how is everybody tonight?

The farmers have certainly been having some fine weather for preparing and planting their crops. But a good rain would be nice now as it is beginning to be very dry.

SERVICE THAT IS PERSONAL

The service we render is never standard—but varies with every case to fit details of religious faith—of family custom and individual taste. Adherence to this policy—plus a sincere desire to meet economy needs—is, perhaps, the reason why we are so frequently called upon.

FARMERS ARE ADVISED HOW TO FIGHT THE BOLL WEEVIL

Cautioning farmers that it will soon be time to apply pre-spraying poison for boll weevils, W. A. Ruffin, extension entomologist and horticulturist, advises use of calcium arsenate at time of first cultivation.

Liquid or dust poisoning is equally effective, one or two applications at weekly intervals being sufficient for early treatment. Farmers having necessary equipment will probably prefer sweetened poison. One pound of calcium, one gallon black strap molasses and one gallon of water is proper spray preparation and costs around 25 cents per acre treated. If dust is used, two-four pounds calcium arsenate per acre applied lightly as possible, is sufficient.

On heavy soils in Central and West Alabama the cotton flea is likely to cause more damage than the boll weevil. Ruffin points out that on land where cotton does not set fruit as early as it should this condition is almost sure to be caused by cotton flea feeding on plants. Under such conditions farmers will find it profitable to make two or three poisonings at weekly intervals, consisting of one pound of calcium arsenate and two pounds of dusting sulphur. Applied at time of first cultivation, this treatment serves also as pre-spraying for boll weevil.

Ruffin said pre-spraying applications did not replace the need for later boll weevil poisonings.

COMMITTEE TO ASSIST WITH FARM PROBLEMS

AUBURN, Ala.—Reorganization of the Department's Agricultural Labor Committee to work with State Land-Use Planning Committee in assisting the U. S. Employment Service in placement of farm labor is announced by Secretary of Agriculture Wickard. "We do not expect any widespread shortage of essential farm labor in 1941," he says, "but National Defense activities may cause a number of local and seasonal shortages."

OBITUARY—HUDSON

The Heavenly Father, in His infinite wisdom, saw fit to send His angels into the home of Mr. and Mrs. Wesley Hudson to bear the tiny soul of little Ralph to the celestial home beyond the clouds where it will be united with the angelic host.

The frail cords of life were severed and the soul of lovely Ralph took its flight about 9 o'clock Tuesday night, April 15th. Little Ralph, although you have been on this earth for only one year, nine months and 29 days, we all loved you, little Ralph, and will forever miss you, and your place in our hearts will always remain vacant.

Although we are grieved at your passing we are greatly rejoiced and consoled in the fact that we know you are living in the beautiful mansion above the star-bedecked sky where the soul never dies; where there is no more death, sorrow, pain, or sad disappointment.

Now we have planned to spend the remaining years of our lives in preparation to join you over the bar at the end of life's journey. Little Ralph, your footsteps will be missed and your voice we cannot hear. Father and Mother are so lonely. It seems more than their hearts can bear to think of their darling babe as being gone forevermore. Our home is wrecked forever. It will never seem like home any more without Ralph, but we are going to live to meet him in Heaven in the sweet bye and bye.

All was done for him that living hands could do, but it was God's will for him to go. Little Ralph was born June 28, 1939, and died at Gibson's hospital April 15, 1941. Funeral services were held Wednesday and burial was in Hudson's Cemetery at 2:30 o'clock. Elder Jim Richards conducted the funeral.—Written by Willie Kate Hudson.

A better home was the goal of 1,159 boys and 17,318 girls in Alabama during 1940. They improved 5,985 rooms and made 21,401 articles for their homes.

Six additional Alabama counties have been declared practically free of Bang's disease. The list now includes: Autauga, Elmore, Chilton, Dallas, Sumter, Pickens, Lenoir, Perry, Fayette, Bibb, Marion, Tuscaloosa, Coosa, Shelby, Walker, St. Clair and Winston.

Provisions of the 1941 Agricultural Conservation Program have been amended so as to permit Southern farmers to grow peanuts for oil on any part of the cotton acreage allotment which is not used for cotton production without incurring deductions from Agricultural Conservation and parity payments.

Mexico contributed \$468,502 of the \$1,368,361 worth of silver received into the U. S. in a recent week.

All transport by rail, road or sea in India is now under government control.

VICTORIA NEWS

Everybody seems to be enjoying the spring weather. The health of the community is very good except there are a few cases of measles.

Our hearts were made to rejoice because of the attendance at Sunday School last Sunday. We are praying that there will be more to come next Sunday. Oh, if the parents could only realize just what it would mean to the future generation to carry the children to church. We should ask ourselves this question: "Am I doing what 'he Lord wants me to do'?"

Mr. and Mrs. M. A. Williams of Daytona Beach, Fla., were pleasant callers in our community last week.

Miss Myrie Thomas spent Saturday night with Miss Peggy Polson.

Mr. and Mrs. J. V. Wise, Mr. and Mrs. C. R. Wise and Mrs. M. C. Boutwell spent the week-end in Columbus, Ga.

Dr. E. G. Bragg attended the State Medical Association in Mobile last week.

Miss Ellawayne Wise was the Sunday guest of Miss Johnnie Mae Hurston.

Mrs. E. G. Bragg and Miss Mattie M. Spurlin attended the tent meeting in Elba Thursday night.

Mr. Frank Brown of Montgomery is spending a few days with his mother, Mrs. M. A. Polson.

Mrs. Mary Alice May, Misses Elsie Sellers, Lottie Fortner and Nelle Young visited Mrs. E. G. Bragg and Miss Mattie M. Spurlin Wednesday night.

There will be a program and plate supper at the school house Saturday night, April 28, for the benefit of the church. Come and enjoy the program.—Contributed.

Mrs. Mamie Yarbrough, Miss Lou Hammond and Mrs. George Blair of Florala are guests this week in the home of Mr. and Mrs. Ben Brunson.

Malcolm Mathis of Maxwell Field, Montgomery, is spending the week in Elba.

Mr. and Mrs. John Dulaney and Mr. and Mrs. Pat Hall and two children of Mobile spent Sunday in Elba, guests of Mrs. R. L. Cooper and Mrs. Walker Bancroft.

Mr. and Mrs. R. R. Stephens of Montgomery are spending some time in Elba with their daughter, Mrs. Walter Whitman, Jr., and family. They formerly made their home in Elba and have many friends who are always glad to see them.

Mrs. Kathleen Ellis and Miss Gladys Nix, of the Coffee County Welfare Department, attended the conference of welfare workers held in Mobile this week.

Mr. and Mrs. Robert L. Cooper of Oklahoma City, Okla., where he has been in training, have been spending a short vacation in Elba with Mrs. R. L. Cooper and family and with relatives in Opp. Mr. Cooper will leave this week for Baltimore, Md., where he will attend a special training school for the next four to six weeks.

Mr. and Mrs. Gordon Mathis left Tuesday morning for San Antonio, Texas, where they will visit Ben Mathis, who is in training at Kelley Field. Ben will finish his two week course in advanced flying and on Friday will receive his commission as a Second Lieutenant and will be awarded the coveted pair of wings.

Mr. and Mrs. Gus Young accompanied Mr. and Mrs. Mathis to San Antonio, Texas, and will visit them. Gus, who is also in training at Kelley Field and will finish his flying course within the next few weeks.

Mrs. J. C. Dixon returned from Mobile Wednesday, having accompanied Miss Adelle Dixon, who attended the conference of welfare workers.

In step with Alabama's increasing dairy industry is the report showing 264,000 heifer calves and heifers on Alabama farms January 1 this year, an increase of 1,300 over the 1939-39 average. This increase is in line with the Cotton Belt expansion which accounted for almost 25 per cent of the entire country's increase in milk cows.

CAIRD OF THANKS
We take this method of expressing our sincere gratitude and thanks to our many friends of this community for their many kind words and sympathy shown us during our recent bereavement, the death of our darling baby girl, Ellen Wynelle. May God bless each and every one of you is our humble prayer.

Mr. and Mrs. W. C. Hataway, Mr. and Mrs. M. S. Davis, Mr. and Mrs. W. G. Hataway, Jim J. Hataway.

DAMASCUS CLUB MEETS

The Club of Damascus held its regular meeting April 21st in the home of Mrs. Pinkie Sparks. Medicine cabinets of the previous meeting were completed and painted. A piece of antique furniture and a piece of modern furniture were refinished.

After a very nice picnic dinner what-nots and other little things were made, and the leader took charge of the meeting. Minutes of the last meeting were omitted. Songs were sung and games were played.

The club was divided into two groups, No. 1 and No. 2. The group making the highest score in the games of the club were to be entertained by the losers. So, No. 1 being the unfortunate ones, they will entertain the "2s" May 5 in the home of Mrs. Buna Tucker, a delightful surprise for group No. 2.

Mrs. Chas. Locklar, Reporter.

CHOICE FARM LANDS

STOP SHIMMY!

Shimmy is dangerous; it may take your car out of control at any moment, numb your hands so you can't hold the wheel, cause an accident you'll always regret.

Your steering wheel should respond to the slightest touch, require but little effort to make a turn, and straighten out by itself after the turn is made.

Let Us Check Your Wheel Alignment

We will inspect your steering with accurate gauges that show exactly what is wrong, and estimate the cost of any necessary corrections. Some inexpensive adjustment may be all you need.

DON'T take chances with defective steering. The same corrections that give "touch control" steering also stop scuffing, cupping, and gouging of the tires. Drive in tomorrow.
